

## DAHUA HAC-HFW1801TLM-IL-A-0360B-S2 4K Smart Dual Light HDCVI Fixed-focal Bullet kamera

Šifra: 15538

Kategorija proizvoda: Analogne kamere

Proizvođač: Dahua

**Cena: 7.931,00** rsd.

|                        |                      |                                                                                                                                             |
|------------------------|----------------------|---------------------------------------------------------------------------------------------------------------------------------------------|
| Audio                  | Mikrofon:            | Ugrađen                                                                                                                                     |
| Dodatne funkcije       | Snimanje:            | Automatski balans bele, Auto gain control, Maksimalni domet IR 40m, Smart IR, 3D NR, privacy masking, Electronic Defog, Manual gain control |
| Fizičke karakteristike | Dimenzije:           | 198.4mm x 80.2mm x 76.2mm                                                                                                                   |
|                        | Masa:                | 0.30kg                                                                                                                                      |
