

Ubiquiti airMAX NanoStation 5AC, UISP-supported  
WiFi radio designed for point-to-point and  
customer premises applications, 5 GHz, 15+ km li

Šifra: 48004

Kategorija proizvoda: Wireless router

Proizvođač: Ubiquiti

Cena: **37.220,00** rsd.

|                                        |                                          |
|----------------------------------------|------------------------------------------|
| CPU:                                   | Atheros MIPS 74KC                        |
| Internal Clock Rate:                   | 560 MHz                                  |
| RAM:                                   | 64 MB DDR2 SDRAM                         |
| Interface:                             | EthernetWi-Fi                            |
| Local Area Network Architecture:       | 10Base-T100Base-TX1000Base-T             |
| Number of Ports:                       | 1                                        |
| Device Location:                       | External                                 |
| Line Modulation Type:                  | 16QAM<br>64QAM<br>BPSK<br>QPSK<br>256QAM |
| Max. Range Open Space:                 | 15 km                                    |
| Networking Features:                   | Power over Ethernet (PoE)                |
| Antenna:                               | Internal                                 |
| Certifications:                        | CE, FCC, IC                              |
| Amplification:                         | 16 dBi                                   |
| LAN:                                   | 2 (RJ-45)                                |
| PoE Adapter:                           | External<br>Output: DC 24 V              |
| Power Consumption Operational:         | 9 W                                      |
| External Color:                        | White                                    |
| Depth (mm):                            | 30 mm                                    |
| Height (mm):                           | 257 mm                                   |
| Width (mm):                            | 84 mm                                    |
| Nominal Weight:                        | 0.233 kg                                 |
| Maximum Operating Ambient Temperature: | 70 °C                                    |
| Maximum Operating Humidity:            | 95 %                                     |
| Minimum Operating Ambient Temperature: | -40 °C                                   |
| Minimum Operating Humidity:            | 5 %                                      |
| Warranty Products Returnable:          | Da                                       |
| Warranty Term (month):                 | 12 month(s)                              |
| Warranty Term Notes:                   | 24 months - for EU                       |
