

Solidigm(TM) P44 Pro Series (1.0TB, M.2 80mm  
PCIe x4, 3D4, QLC) Generic Single Pack, MM#  
AA000006P, EAN: 840307300317 (   
SSDPFKKW010X7X1 )

Šifra: 51431  
Kategorija proizvoda: SSD  
Proizvođač: Solidigm

**Cena: 13.607,00** rsd.

|                                        |                                                                      |
|----------------------------------------|----------------------------------------------------------------------|
| Device Location:                       | Plug-in Module                                                       |
| Form Factor:                           | M.2 22x80mm                                                          |
| Storage Capacity:                      | 1 TB                                                                 |
| Supports Data Channel:                 | NVMe PCIe® Gen4                                                      |
| Memory Technology:                     | NAND Flash                                                           |
| Included Accessories:                  | Quick Start Guide                                                    |
| External Color:                        | Black                                                                |
| Maximum Sequential Read Rate:          | 7000 MBs                                                             |
| Maximum Sequential Write Rate:         | 6500 MBs                                                             |
| Total Bytes Written (TBW):             | 750 TB                                                               |
| Non-Recoverable Errors:                | 1 per 10 <sup>15</sup>                                               |
| Mean Time Between Failures:            | 1600000 hr                                                           |
| Solid State Drive Features:            | AES 256-bit Encryption<br>End-to-End Data Protection<br>NVMe Support |
| Shock Tolerance Operating:             | 1500G @ 0.5ms                                                        |
| Shock Tolerance Storage:               | 1500G @ 0.5ms                                                        |
| Vibration Tolerance Operating:         | 20G @ 20-2000Hz                                                      |
| Vibration Tolerance Storage:           | 20G                                                                  |
| Maximum Power Consumption:             | 7.5 W                                                                |
| Maximum Operating Ambient Temperature: | 70 °C                                                                |
| Minimum Operating Ambient Temperature: | 0 °C                                                                 |
| Warranty Products Returnable:          | Yes                                                                  |
| Warranty Term (month):                 | 60 month(s)                                                          |
| Warranty validation Criteria:          | Serial Number                                                        |
| Pack Weight Brutto (kg):               | 0.01 kg                                                              |
| Pack Weight Netto (kg):                | 0.01 kg                                                              |
| Pieces in pack:                        | 1                                                                    |
| Box Weight Brutto (kg):                | 5.34 kg                                                              |
| Retail Packaging Net Weight Carton:    | 0.01 kg                                                              |
| Retail Packaging Net Weight            | 0.01 kg                                                              |
